#### The Montclair Depot Affair.

The latest phase of the Montclair Depot controversy is the publication and distribution in that town of a printed circular by Mr. Pratt, who opens with a letter addressed to his fellow citizens. Extremely harsh lauguage is used, Mr. Loomis's charges being met by counter-charges of falsehood, malice, etc. Mr. Pratt then submits as proof of his assertions, the certificates of some of the subscribers to the depot fund, which we published last week. The letter then concludes with an assumption that the certificates demolish Loomis and stigmatize him as "a convicted miscreant."

Thus the subscribers to the depot are drawn into the affair, or made to appear as if joining with Mr. Pratt in branding Mr. Loomis as a vile wretch, which is plain English for the term "miscreant." We doubt if those gentlemen will thank Mr. Pratt for printing their names in such a questionable connection, or even if they expected to see their names printed or publicly used at all.

A word or two may not be out of place in regard to an erroneous impression given ont by Mr. Pratt that Mr. Loomis has no interest himself in the question he raises. It is a well known matter of history that Mr. L. was Chairman of the Depot Building Committee, and as such was called upon to explain where the money subscribed for the depot went. It is also, we believe, written history, upon the books of the Railway Company, that Mr. Loomis and several other gentlemen whose names do not appear as signers to the certificate were subscribers to the fund, their money being credited on the

#### Political.

The first mass meeting of the campaign was held in the Opera House, Newark, on dust? Wednesday evening, by the Republicans, to ratify the nomination of Hon. G. A. Halsey for Governor. The audience was a very arge and enthusiastic one. 'A delegation came from Jersey City, and on entering, headed by a band of music, they were greeted with loud applianse. Stirring addresses were made by Messra. Cittell, Halsey, Keasbey, Jones, Hill and Clark. We give the speech of Mr. Halsey :

Gentlemen, the action of the Republican party has caused my appearance before you to-night as candidate for Governor of this State. It is not my purpose during the pre sent canvass to discuss the issues of the day. am not unmindful of the high honor and the responsibility which has been cast upon me, nor of the honor which you have done me in the past. I thank you here, at this time, for what you have done and for your kindly greeting to night. In the present campaign it will be my purpose, as as in me lies, to join with you in conducting the affairs of the campaign so that victory may perch upon our banners. Thanking you again for your many acts of kindness to me. I shall, if elected to the high and responsi ble position of Governor, discharge the duties of that office to the best of my ability, and with an eye single to the advantage and prosperity of the people of the state.
